### Level of funding

This process is intended to support organisations in small projects, typically below £100. There is no lower limit. A request for £20 will be given as detailed consideration as one for £100. The following are unlikely to be considered a grant priority.

- Projects where there is a large shortfall in the funding needed required to complete the project
- Projects where the amount of the grant would be a very small part of the overall cost of the project
- Projects that simply replace existing facilities with no significant improvement

### Conditions of grant

- Lewdown Grouped Parish Council support must be acknowledged as appropriate on all publicity and promotional material including posters, advertisements, press releases and leaflets.
- Financial support can only be used for the purpose for which the grant is given.
- Grants must not be distributed to any other organisation.
- Proof of appropriate spend shall be provided to Lewdown Grouped Parish Council if requested.
- Should a project be cancelled for example, or the funds, or part of, not be required, then any surplus grant funds must be returned.
- Unless part of the objective of the event was specifically to raise funds for a community project, should an overall "profit" result from an event, the original grant money is to be returned.

Applications should be submitted in writing (letter, email) using the grant application form to: The Clerk Lewdown Grouped Parish Council The application should detail:

- The organisation requesting support
- The amount requested, along with detail of any funding sourced elsewhere and when the money is required
- The project for which the money is sought, including any relevant areas which might support your application under the decision-making criteria listed below;

Decisions will be based on the following criteria:

- General eligibility
- Impact on key local need
- Community support
- Value for money
- Environmental impact
- Community involvement
- Feasibility
- Effectiveness

Timescale Applications will be reviewed at the following month's scheduled meeting of the Parish Council and the applicant advised of the decision as soon as possible after the meeting.
